Writ Petition (Civil) No.8411 of 2006

Dated 6th November, 2007.

J U D G M E N T

Petitioner approached this court praying for a direction to return the documents, and for a further direction to the respondents to reduce the interest. During the pendency of the writ petition, it is seen from the counter affidavit that the documents have been returned since the petitioner represented that the writ petition itself would be withdrawn. Learned counsel for the petitioner submits that there was no such understanding. Be that as it may, it is seen from the counter affidavit that the petitioner has already paid the entire amounts and she has closed the account, and therefore, she is not entitled to get any benefit at this stage. In case the petitioner has still any dispute as to the factual position as stated in the counter affidavit, the petitioner may approach the first respondent.

The writ petition is disposed of as above.

KURIAN JOSEPH, JUDGE.
